Alvarado Global Experience Scholarship

The Alvarado Global Experience Scholarship was established in 2006 to enhance the education of UW-Madison College of Engineering students by providing financial support to participants in UW-Madison approved semester and year-long study abroad programs. Two scholarships, in the amount of $1,000 each, are awarded each semester. Students may only receive the Alvarado Global Experience Scholarship one time.

Criteria
Scholarships will be awarded to full-time students attending the College of Engineering at UW-Madison in a degree-granting engineering program. Criteria for consideration include:

• Financial need (this will be verified by the Office of Student Financial Services)
• Minimum overall GPA of 2.75
• Admission to an UW-Madison College of Engineering approved semester or year-long study abroad program.

Application deadlines
First Friday in April for fall/year programs
First Friday in November for spring programs

Application process

• Alvarado Global Experience Scholarship Application
• Student Academic Record from MyUW
• Current resume
• One page type-written statement addressing:
  • The relevance of the particular study abroad program to your academic, professional and personal goals
  • Your need for financial support for study abroad.

Applications should be submitted to:

International Engineering Studies and Programs
Room M1002 Engineering Centers Building
1550 Engineering Drive
Madison, WI 53706

Your Alvarado Global Experience Scholarship Application will be reviewed for consideration only if a completed UW-Madison College of Engineering study abroad application has been received by International Engineering Studies and Programs prior to the Alvarado Scholarship application deadline. Scholarship award notifications will be sent to you electronically no later than one month after the application deadline. Scholarship checks will be disbursed no later than 2 months prior to the beginning of your study abroad program.
